The Austin 10/20 is a 10 mile race where runners, walkers and wheelchair participants will pass 20 stages of live, local music along the course. There will be several charities participating in the event to raise funds and awareness for different causes. The course will take place in North Austin. Please see attached course map and street closure form for more information or go to our website ([www.Austin1020.com](http://www.Austin1020.com)) to learn more about the event.

**Date of Event:** April 14, 2013

**How This Will Affect Traffic and Parking:**

Normal traffic patterns on and around the race course will be affected as early as 4 AM (near the start and finish line) to, at the latest, 11 AM (final two miles of the route). Most closures and detours are in effect 7 AM to 10 AM. All neighborhoods will have access in and out during the race. Some routes will have traffic modifications for safety. Roads will reopen as the runners clear and it is safe to do so, very latest one being at 11 AM. One or two traffic metering locations where cars can cross the course will be set up for access during the race.

Overall parking on the course will be restricted but parking restrictions will not take place in residential areas. The parking lots and structures in The Domain shopping mall and on the IBM campus will be used for event parking and will be very full.
